Thanks for signing up to Facebook mobile! Use Facebook on your phone to keep in touch with friends and family throughout your day, wherever you are.

### Here are three ways for you to get the most out of it:

#### Download Facebook on your phone for a faster experience

Our mobile apps give you quick access to your friends and use very little data. [SMS a download link to your phone.](#)

#### Find People You Know via mobile

Use your phone to find your friends and family on Facebook.

#### Get Facebook SMS

Update your status, send messages and receive notifications by text.

### Get started
